## 2019 TUITION FEES

Marian Catholic College would like to emphasise the fact that the College has through hard work and conscious actions, managed to keep fee increases down over the years. However, the increase in system/technology costs, insurance and operating charges result in increasing the Resources/Tech and Basic Service Fees across the year groups for 2019.

If a student exits the College during the year, a portion of the annual fee charged will be calculated and credited to the family account. The College would seek any remaining fee balance to be paid within one month of the student's last day so the account can be closed. It is a **condition of enrolment** that fees must be paid in full.

We are under directive from the Catholic Education Diocese of Wagga Wagga, if necessary, the College will refer outstanding accounts to a debt collection agency for further action. The family will be contacted in writing that this action is pending and provided with further opportunity to make payments before this occurs. All costs associated with the recovery of these fees will be passed onto the family concerned. If you have outstanding fees *please* phone to discuss your payment options. If you need to discuss your school fees in general, please phone Mrs Joanne Smith on 6969 2400 to discuss over the phone or to make an appointment to discuss your situation.

Yours Sincerely
